

Manager in Training (MIT)

Date: 10/01/2020

Location: San Diego County

POSITION SUMMARY:

Responsible for the overall management and accountability of facility performance to ensure that all Company policies are followed and that operating groups work in the most efficient manner possible to ensure maximum results are realized. Coordinates operational activities to ensure all daily tasks are accomplished. Provides leadership, direction, and administration of all aspects of activities to ensure accomplishment of objectives. The Site Manager accomplishes this role-modeling our core values:

WHY SOAPY JOE'S?

We are not just a car wash, we're driven to clean cars, protect the environment and shine in our communities. We are invested in creating opportunities, inspiring development, and bringing dynamic servant-leaders into our company that will take care of our team and our members. If you love to win, care about people, and you are not afraid to roll up your sleeves and get to work, you will be in great company with us. Culture is vital to our success and we are looking for new team members that connect to our values and want to see our culture thrive.

Our core values are:

- **Build community:** we love our neighbors and create an atmosphere where everyone is welcome
- **Lead with heart:** we create trust and respect through listening, positive words, and actions
- **Create fans:** we impress customers with a great experience defined by positivity and helpfulness
- **Do the right thing:** we operate with honesty and integrity – even when no one's looking
- **Be proud:** we're proud of our quality services and clean sites, but most of all, we're proud of our team
- **Have fun:** we believe creative solutions and genuine connections happen when you're having fun
- **Keep learning:** we take learning as seriously as we take having fun, which means we do it all the time!

If these values resonate with you and you would like to be a part of this team keep reading!

WHAT YOU'LL DO:

- Provide wide leadership and influence to improve organizational performance.
- Engage personnel to promote safety, operational improvement, and drive performance.
